RACING FOR CHARLESTON

TRACK TO BE BUILT FOR MEETING OF SEV. ENTY-FIVE DAYS BEGINNING JANUARY 10.

F. J. Pons Makes Authoritative Announcement That Work on New Course in South Carolina Will Start at Once-Minimum Purse \$400.

Louisville, Ky., October 13.—Charleston, S. C., will be the scene of a winter race meeting, beginning January 10, 1912, and continuing seventy-five days until April 5. This welcome announcement was authorized today by F. J. Pons, who was prominent in the conduct of winter racing at Jacksonville, Fla., and who has been active in interesting capital in the proposed venture at Charleston. Mr. Pons is emphatic in his declarations that arrangements have proceeded to the point where there need be no fear of the successful consummation of the project. Horsemen, he says, may absolutely count on the ability of the new racing association to make good on all its promises.

Track construction work will begin at once. The

anily of the new racing association to make good on all its promises.

Track construction work will begin at once. The course will be of the regulation mile type, up-to-date in its appointments and conveniently located. There is abundant time between now and the announced date of -opening for the building of the plant in a proper manner.

Mr. Pons announces that the minimum purse will be of \$400 value, with a plentiful sprinkling of \$600 handicaps. The stake program will be made up of some twenty events, ranging in value from \$1,000 to \$2,500. It is altogether probable that a Derby and one other particularly valuable event will be provided as special attractions.

The preliminaries incidental to the actual beginning of work on the new course are already being attended to and the project will go forward with a rush from now on. Needless to say, horsenen are delighted over the prospect of increased opportunity for winter racing.

FAVORITES SCORING AT PIMLICO.

Five Purses Taken by First Choices-Flamma Continues to Run in Improved Form.

Baltimore, Md., October 13.—The followers of form are certainly prospering at Pimlico. Five more favorites won this afternoon and the large crowd present profited bandsomely. The Severn purse and the Rennert Steeplechase were provided as attractions and the latter event brought out the society folks in force. The best finish of the afternoon came with the running of the third race, in which the Wilson colt Altamaha beat Bounder a head. The race was a selling affair and trainer T. J. Healey was forced to stand an advance of \$405 to retain the colt for his employer, R. T. Wilson. Theodore F. Coles, acting for C. C. Smithson, was responsible for the bidding. Algie, which retains his form in spite of advancing age, showed a fine performance in the ficunert Steeplechase, in which he shouldered top weight of 163 pounds and beat a good band of jumpers in handy fashion.

The greatly improved Flamma scored another victory in the fourth race, which she won with ease, It was Flamma's third race in three successive days. She was closer up than usual in the early stages today, and taking an easy lead rounding the far turn won with much in reserve.

The colors of Chas. Kohler, who races under the name of the Ramapo Stock Farm, were seen in from for the first time this season when Chickasaw won with race. Chickasaw was favorite, and with C. H. Shilling in the saddle, he made a runaway affair of the race and won by a length from Dullcare after a mild stretch drive. Shilling was in good form. He piloted three winners and finished second with Bounder.

J. Woods Garth was a visitor at Pimlico this afternoon. It was his first visit to the races since his

Newmarket, England, October 13.—August Bel mont's Rock Sand yearlings were sold in the paddock here Wednesday, Rockrib, a bay colt out of Octoron, brought \$2,550. Sureingle, a brown filly out of Souveraine, went for \$2,250. The ten yearlings sold for an average of \$1,093.

GROVER HUGHES IMPROVES SUDDENLY.

Beats First-Class Opposition in Six-Furlongs Handicap at Churchill Downs.

Louisville, Ky., October 13.—Sir Cleges was the only winning favorite at Churchill Downs this afternoon. Track conditions were somewhat deceptive. The going was good on the surface, but moist beneath. The handicap at six furlongs, which engaged a smart field, resulted in the greatest upset of the afternoon. Grover Hughes won the race with Jim Basey second and Follie Levy a trailer. The showing of Grover Hughes' today was in marked contrast to his previous effort. Another disappointment followed in the succeeding race when Wheel-wright, the best backed favorite of the day, succumbed to T. P. Hayes' Three Links. The winner showed a really good performance and scored in easy fashion.

Wander and Sigurd had a stirring struggle in the
closing dash, the Flynn representative just lasting to
get the verglet. Jockey Denny on the runner-up
lodged a claim of foul on the ground of having been
impeded in the stretch by the winner, but the judges
did not allow it.

Amoret ran a greatly improved race, and scored
easily over Star Bine and John Griffin II. with
Chapultepec next. The last named would have been
a much more serious contender with a stronger
rider.

Jenny Geddes, recently acquired by Green B.
Morris, and running in the interest of L. M. Morris,
beat an ordinary band of two-year-olds at one mile,
the first mile race for two-year-olds run during the
meeting.

Fine weather was again responsible for a big
attendance.

A record-paying two-horse mutuel combination developed as a result of the success of Amoret and
Jenny Geddes, Only one ticket was out on the pair
and the holder received \$622.90 for \$2.

Johnson N. Camden, members of the Kentucky
State Racing Commission, who has been in frequent
attendance at this meeting and is a clese observer,
went on record today in opposition to the rule
barring telegraph service from the Kentucky Tracks
to newspapers. He telegraphed, on his own initiative, to Chairman Clay that the rule does not accomplish what it was intended for and that it is
ineffective and detrimental to the best interests
of racing, He recommended that it be annulled at

J. Woods Garth was a visitor at Pimlico this afternoon. It was his first visit to the races since his retirement from the turf last spring. He is now an engineer on the Southern Railroad.

John Huggins, the veteran trainer, was also among the new arrivals. He will probably remain for the rest of the meeting.

It is the purpose of William Garth to make a few days ago from S. C. Hiddreth. Joe Madden will be sent to the Garth farm at Charlottesville, Va., next week and schooled across country during the winter months.

The filly Wrap, in Albert Simons stable, died this morning. She was sisck when unloaded from the cars on her arrival from Toronto. Pete, the steepic chaser that fell in his last race, also died this morning as a result of his injuries.

Harry Nelsons on of Judge Fall Rice, who went to Germany several weeks ago to ride for James McCormick. Rice sends good reports of the racing in that country and is well pleased with his engagement. He rode the winner of a \$25,000 stake a few days ago and will remain in Germany until November 1, when he will return to this country at it is Rice's purpose to ride during the winter at Juarez. He will return to Germany next spring.

In view of the unreasonable attacks of which the American turf hafs been the victim of late. Mr. Wheatcroft can hardly be blamed for shipping his horses to another part of the world. He is an Englishman, a citizen of the British Empire, who makes a trip to his home in England nearly every year, and in shipping his horses to Australia he is sending them to a country that is under the jurisdiction of his own flag, and constitutes a part of the great British Empire. Mr. Wheatcroft has many business interests scattered throughout the United States and Canada—owning a short railroad and several coal mines in Western Kentucky, several banks in Oklahom, a fine estate in British Columbia, and other properties scattered throughout the United States. During the past few years he has built, equipped and operated several railroads, and sold them out, at a handsome profit, to the larger railroad systems. Mr.

LATONIA TO GET STABLES FROM EAST.

Cincinnati, O., October 13.—Yesterday's arrivals from Louisville included Cherryola and others in the Inaugural Handicap to be run the opening day and her owner feels confident that she will repeat her last year's achievement of winning the race. She is, according to Mr. Ireland, study to her best form. Last year she won the final stake race of the season at Churchill Downs, and followed with a victory the next day at Latonia in the Inaugural Handicap. Mr. Ireland has suffered much ill-luck with Cherryola this season. He had her ready to start in the Kentucky Endurance Stakes at Louisville last Saturday, but through some misunderstanding concerning her nomination, it was decided at the last minute that she should be an absentee from the race. There were any number in the big crowd that witnessed the race on Saturday last who shared Mr. Ireland's view that had she started she would have been the victor. Mr. Ireland intends to make amends by a determined try with the daughter of Tanzmeister—Last Cherry, in the Latonia Endurance Stakes. In last year's running of which Cherryola finished second, succumbing only in the last furlong to Capt. E. B. Cassatt's Cintrella. The latter was in receipt of a big weight concession from the Ireland filly.

General Manager John Hachmeister sent word to Secretary Maginn today that entries would close simultaneously at Louisville and Latonia Saturday morning. The list will be announced at both places. Mr. Maginn will telegraph those entered by owners at Latonia, and Assistant Secretary J. B. Campbell, who will look after the entries at Louisville, will transmit those entered with him. In case of an excess number of entries to any of the races the usual method of drawing the throw-outs will be resorted to at the time of closing the list in the Secretary's office at Latonia.

John W. Schorr advised Secretary Maginn yesterday that his horses now being campaigned by the younger Schorr on the Maryland tracks, will be resorted to at the time of closing the list in the Secretary's office

favorite in this race last year, but brought up in fourth place.

Thomas C. McDowell, who is serving as presiding steward at the Laurel track and racing an extensive string there, is also likely to ship to Latonia at the close of the Laurel meeting. Mr. McDowell's horses have seldom missed engaging in meetings held at Latonia and his colors are especially popular with Cincinnatians.

EXPECTS NO SALE AT PRESENT.

New York. October 13.—Philip J. Dwyer is quoted as follows concerning the report that the Gravesend track is to be sold for residential purposes:

"Streets are gradually being opened adjacent to the Gravesend track, and it is only a question of time when the valuation of the plant will be such that the stockholders will naturally dispose of their holdings. The property could probably be bought now, but who would pay the price."

Concerning the immense Aqueduct course, in Queens County, Mr. Dwyer is of the opinion that it will remain intact as a racecourse as long as any other on Long Island or even in the State. With legislation not as drastic as the present laws, racing will be revived in the Empire State, and the Queens County Jockey Club will be one of the foremost to announce a program of merit for races to be run over its mile and a quarter track.
